Current Priority Outcomes

To ensure better co-ordination and collaboration across agencies in the Southern area.

To deliver on better outcomes for children and young people.

Current Priority Outcomes

To ensure that all parents/carers receive the help and support they need to empower them to parent thereby ensuring all children get the best possible start in life, have good health and well being.

Current Priority Outcomes

To ensure the involvement of children and young people and parents

To ensure good relations/equality and diversity

Armagh Locality Planning Group

Achievements & Emerging Needs

Rachel Long,
Child and Parent Support (CAPS)
Chair of Armagh Locality Planning Group
May 2014

What do they do?

The role of each locality planning group is to

be a **partnership** between children and young people, families, communities and representatives of agencies at locality level at a geography that makes sense to the local community

draw up a locality **plan** to address priorities identified through **outcomes based planning** and to

mobilise local resources from the statutory, voluntary and community sectors to address these priorities – as part of the Children and Young People's Plan

Focus on
Early
Intervention
0-18

Achievements 2010/2014

- June 2010- Armagh Locality Planning group was launched
- August 2010- Family fun and Information day 300 families attending

EMERGING NEEDS

Emerging needs

- Mental Health- Providing hope, vision for the future and positive images
- Waiting list of counselling within schools
- Young People and Anger Issues (due to parental separation etc)
- Poor GCSE attainment- Number of year 12 not getting 5 GCSE's

Emerging needs

- Children and Young People exposed to domestic violence
- Hidden Harm- YP with parents who abuse substance
- Makaton being more widely available from birth right through/Train parents to deliver assist and makaton
- Attendance issues at primary and post primary
Camhs- children missing appointments then have to re-refer as new to renew as these children most in need

Emerging needs

- Less than 85% school attendance
(Early Intervention pilot/mapping existing services)
- Access to activities for Young People with a disability
- More on going Intergenerational projects
