

Children & Young People's Strategic Partnership

Updated June 23

Southern Area Outcomes Group

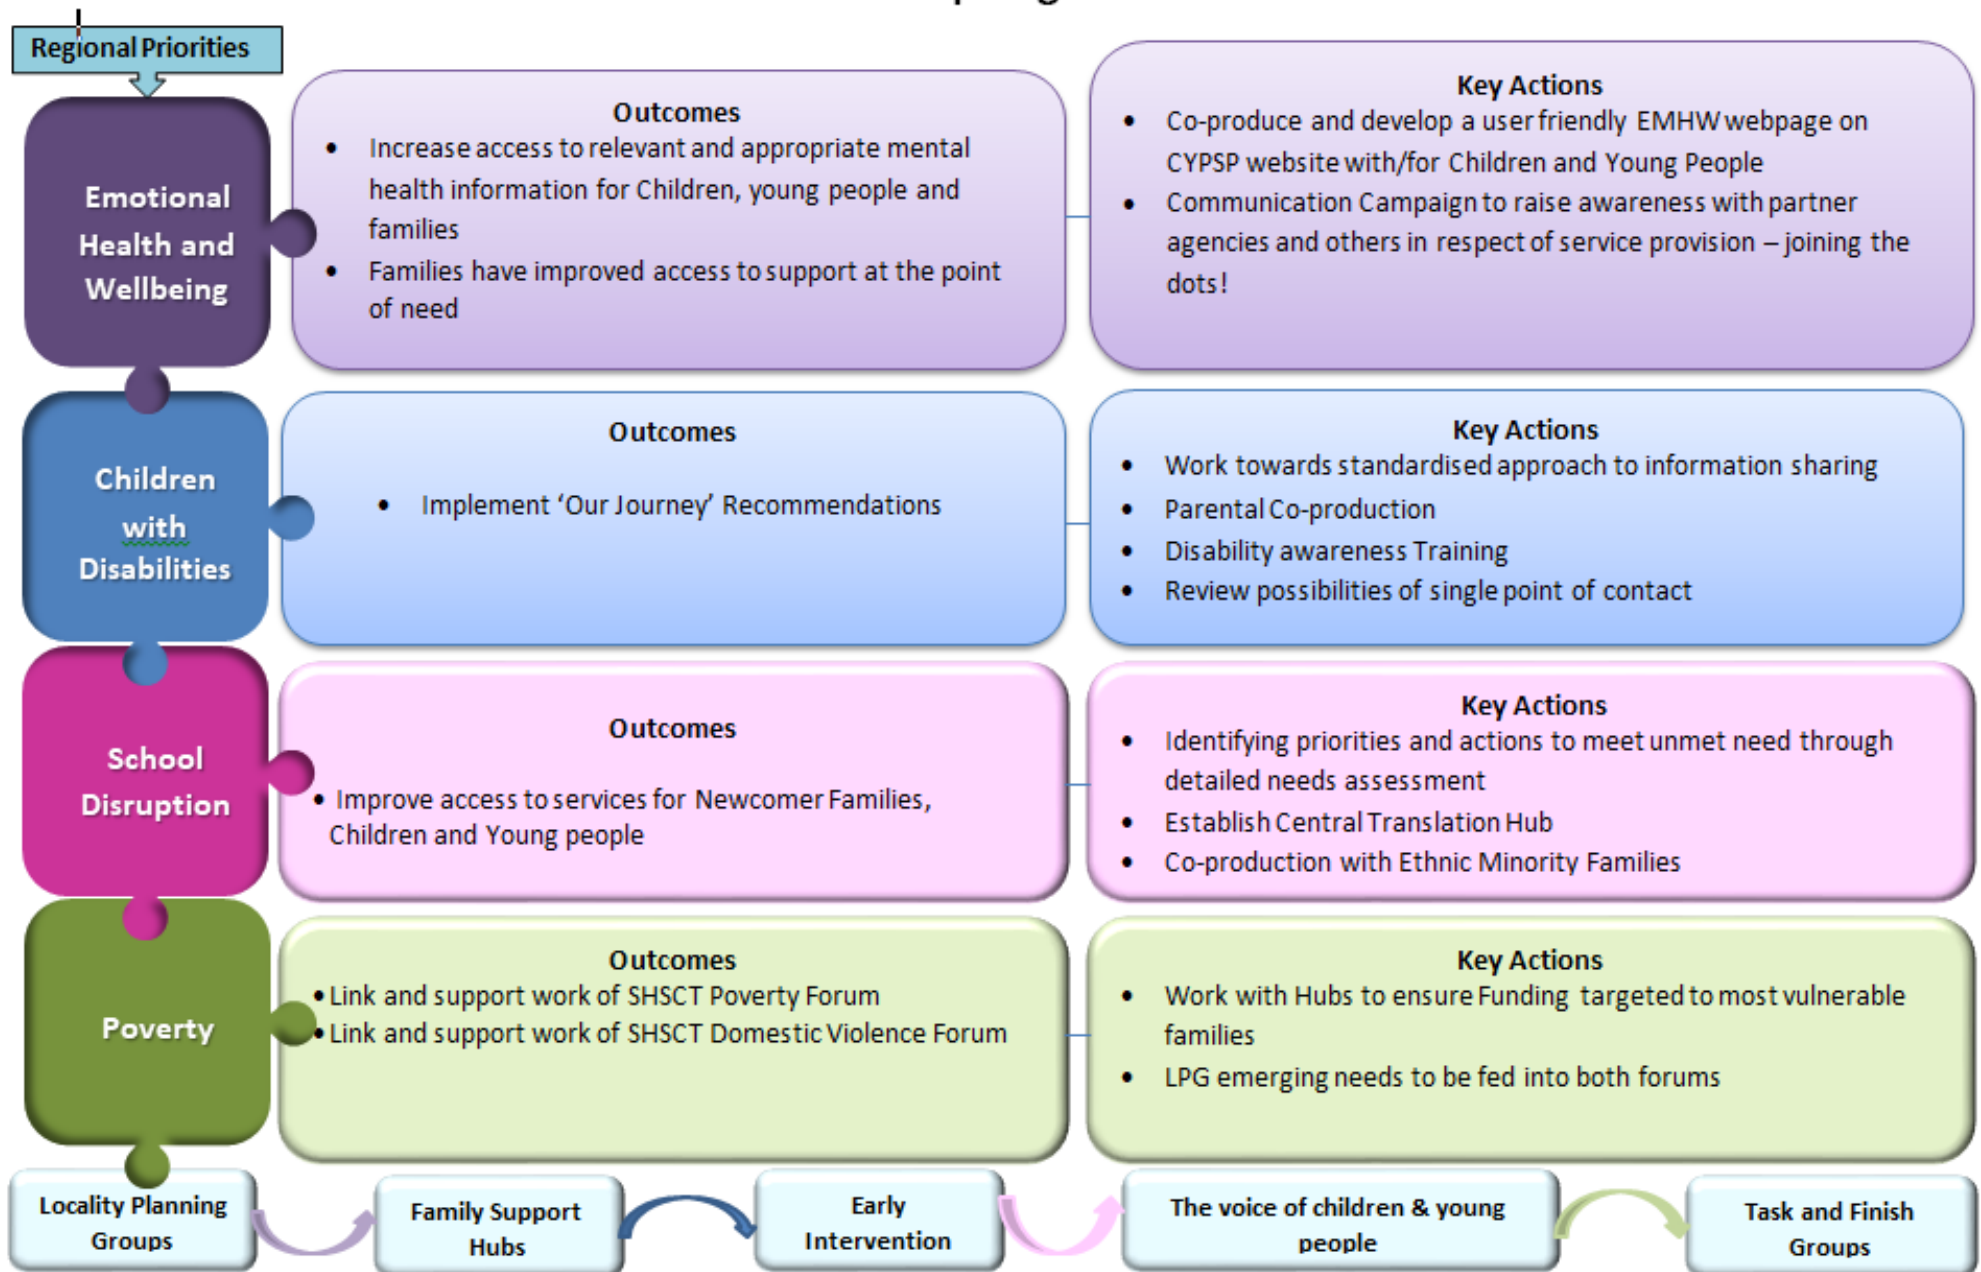

Children & Young People's Action Plan 2021 – 2024

CYPSP Priorities 2021-2024

Overarching CYPSP Priorities 2021-2024	Southern Area Outcomes Group Priorities – 2021-2024
Children’s Mental Health and Emotional wellbeing, in particular but not exclusively children in the 5- 10 age groups	Improve outcomes for Emotional Mental Health and Wellbeing needs of children and families across SHSCT area at levels 1, 2 and 3 of the Family Support Model.
Early Intervention support for Children with Disabilities and their families	Improve outcomes for Children with a Disability through roll out of Our Journey through disability recommendations
Support to children who’s wellbeing is being affected by disruption to their schooling	BAME Children, young people and families will experience and benefit from good relations, equality and diversity - inclusive access to schools, youth and public facilities/services.
Contribution to strategic cross departmental actions in response to food and fuel poverty, as well as locality based service responses	Link with SHSCT Poverty Forum in respect of children and families
	Link with SHSCT Domestic Violence Forum in respect of children and families

All above underpinned by Voice of Young People
