	Ensure co-design and co-production is embedded in all services for children with disabilities/additional needs			

			different organisations	
--	--	--	----------------------------	--

Priority Three: Support children whose wellbeing is being affected by disruption* to their schooling

Outcomes	Key Action	Lead person	Progress to date and Monitoring	Indicators
Children and young people are supported during times of disruption to their schooling	Understand the effects of disruption to education on children's wellbeing. https://cypsp.hscni.net/wp-content/uploads/2022/09/NAOG-School-Disruption-Report-July-2022.pdf	LPGs	Report completed by NOAG July 2022. Shared with SEAOG members	
	If long term disruption to schooling occurs produce a guide of available support services, based on previous guide			
	Develop additional education support for children to help them achieve, especially at points of transition			
Help Kids Talk is available across the South-Eastern Area	Help Kids Talk resources are available and promoted across the SE area	Mabel Scullion	<u>September 2023</u> Promotion of the project is on the CYPSP ezine, Family Support newsletter, it is shared through health visiting, children's services, speech and language, Public Health Nursing team, and all 5 Surestarts (all 5 have our training as mandatory for staff). We have engaged the Family Nurse Partnership in the SEHSCT and they have engaged their	

			staff and parents on the training	
Shared vision/principles between education and health and wellbeing	Promote examples of excellence, pre/primary/post/HE, e.g. Operation Encompass, Solihull schools.		SE PLIG connecting schools to communities' event 22.03.23	
	Strengthen connections between schools and communities. Next stage after SE PLIG connecting schools to communities.			
			<u>September 2023</u> 20 participants attended 10 organisation's hosted information stalls Health and wellbeing material distributed Lunch and networking at end of event	

Priority Four: Contribution to strategic cross Departmental actions in response to poverty, as well as locality-based service responses

Outcomes	Key Action	Lead person	Progress to date and Monitoring	Indicators
An integrated hardship service is established to support vulnerable families	Take learning from integrated hardship service and replicate for future opportunities		Last year received approx. £42K no funding for this year. Warm packs available for younger children via Sure Start <u>September 2023</u> Possible opportunities to support those most vulnerable through Local Council initiatives / funding	
	Support regionally joined up suggested mitigations of Cost of Living	Annie Armstrong	Letter from all regional NRPs to ask Government bodies to provide support. Lobbying occurring.	
	Support communities re: holiday hunger	All relevant members		
	Provide evidence of health impact of lack of heating etc. on children – circulate presentation by Action for Children on this		PowerPoint Presentation (hscni.net)	
Information and services are more accessible for families	Share information and resourcing relating to poverty across the SE Area Trust via Regional Cost of Living Resource https://cypsp.hscni.net/download/390/lpg/39049/cost-of-living-crisis-resource.pdf	All members to share information for inclusion in Cost of Living Resource	Regional Cost of Living Guide, updated regularly	
	Share Cost of Living Resource within organisations and with families.			

		All OG members to share Cost of Living resource on social media/email/intranet etc.		
	<p>Improve access to relevant universal messages.</p> <ul style="list-style-type: none"> • Share learning from Colin Neighbourhood Partnership's Advice clinics • Share learning in community fridges, social supermarkets etc. • C/V/S awareness of pathways to services to reach families 	<p>OG Members</p> <p>LPGs</p>		
	Raise awareness of financial benefits to recycling and food waste	LPGs and Councils
