Children & Young People's Action Plan 2025 – 2028

CYPSP Priorities 2025-2028

| Overarching CYPSP Priorities 2025-2028 | Southern Area Outcomes Group Priorities – 2025-2028 |
|--------------------------------------------------------|--------------------------------------------------------|
| Early Intervention/ Early Help family support for all | Early Intervention/ Early Help family support |
| | Migrant Minority Ethnic Children & Young People |
| | Children with a disability |
| Early Intervention mental health & emotional wellbeing | Early Intervention mental health & emotional wellbeing |
| School Disruption | School Disruption |
| Poverty/Cost of Living | Poverty/Cost of Living |

All above underpinned by Voice of Young People

NOTE: This is a live plan and will be reviewed and refreshed based on emerging issues for children, young people and families across the area on an ongoing basis.

This Plan has been aligned with Armagh, Banbridge and Craigavon Council Community Plan, Mid- Ulster Council Community Plan and Newry, Mourne and Down Council Community Plan to add value, collaboration and avoid duplication.

Regional Priorities

Southern Area Outcomes Group Page Plan 2025-2028

Early Intervention/ Early Help Family Support for All

Outcomes

- Families can access support at point of need as soon as possible
- Improve early help/ access to support for children with a disability and their families
- Improve access to Services for Migrant Minority Ethnic

Key Actions

- Raise awareness of practical family support, parent support/peer support and empower parents
- Update and promote Inclusive Community Toolkit to improve access to services for CwD
- Establish welcome/community hubs across the Southern Area

Early Intervention mental health & emotional wellbeing

Outcomes

Young People & Families have improved resilience and timely access to support at the point of need

Key Actions

- Enhance multi-agency awareness of available support services
- Enhance awareness of support for young people
- Enhance awareness of support for parents

School Disruption

Outcomes

Wraparound whole Family support Pathway for nonschool attenders

Key Actions

 Design Pilot in respect of filling gap for 13-16 yrs services for young people that are hard to reach and isolated on a step by step pathway approach

Poverty/ Cost of Living

Outcomes

Provide timely support to vulnerable people in the community in respect of food and fuel poverty and cost of living crisis

Key Actions

- Link with Councils in respect of identifying a managed pathway and links with Family Support Hubs
- Link, support and share information with council stakeholder forums
