Introduction

This booklet was refreshed and compiled by young people with special needs based on their experiences of accessing health care and other services.

The aim of this booklet is to provide professionals and other family members with the information needed to help them understand what my needs are.

Please note this booklet can be downloaded and printed and added to at any time to meet individuals' needs.

Acknowledgement

This booklet has been compiled by Barnardo's PosAbility in partnership with CYPSP (Children & Young People's Strategic Partnership).
