

Online course for residents of Northern Ireland 'Understanding your baby'

11 Modules

Available 24/7

Take any time. Any place.

This course gives you information about your baby's brain development and physical and emotional development.

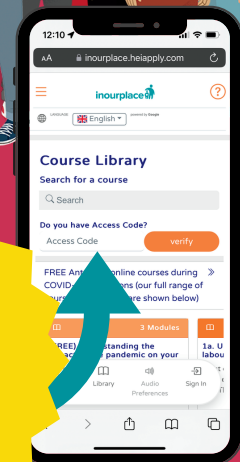

It integrates the traditional information given on a postnatal course with this new approach to developing your relationship with your baby.

Some of what this course covers:

- Understanding feelings: Both your own and your baby's
- How to respond to crying
- Developing healthy sleep patterns
- Understanding your baby's feeding
- Understanding your baby's childcare
