

## Locality Planning Groups

### What are Locality Planning Groups

'Children, young people, parents and community improving outcomes at a local level'

**Locality Planning Groups are partnerships between statutory, voluntary and community organisations that are working with and for children young people and families at a local geography; such as District Council areas**

Locality Planning Groups are a Partnership of front line leaders and staff across all sectors from the local neighbourhood/ locality. Their work focuses on Early intervention, Building preventative places and Improving outcomes for children and young people.

Each Locality Planning Group reports to their respective outcomes group by sharing information, knowledge base and expertise about the local area and identifying opportunities to improve outcomes for children and young people by working better together.

Members of each Locality Planning Group understand the issues for children and young people in their locality by using the CYPSP data sets, organisational data and input from children young people, and their families and linking closely with local Family Support Hubs.

If you have any information you would like to share across our Locality Planning Group members in Belfast please email:

## TIRED OF BEING RIPPED OFF BY LETTING AGENTS?

Too many renters in Belfast are being charged so-called 'admin fees' by letting agents, despite this process being illegal.

Croí For Change is a campaigning community of renters and allies organising for rights and real impact. Together we're challenging unfair practices, fighting illegal fees and building renters' power.

# Belfast City Council

**Community gardens, schools and other groups in Belfast can apply for free 1000 litre bulk bags of high-quality compost.**

The compost is made by Natural World Products, a local company that processes the food and garden waste we collect from Belfast households, and we'd love to see it going full circle by helping to create a greener city.

- This scheme is for schools, charities and community groups, not individuals or businesses.
- Groups can apply for up to three bags over the year.
- Compost is allocated on a 'first come, first served' basis.
- Delivery is by lorry with a crane to unload the compost, so each group must ensure suitable access to the delivery point. It is each group's responsibility to ensure the access point is suitable and the Council shall have no liability in relation thereto.

To apply, please email [environmentaloutreach@belfastcity.gov.uk](mailto:environmentaloutreach@belfastcity.gov.uk)

Your email must include:

- Your name and contact details, including a phone number.
- Name of group/organisation.
- Address and location for compost to be delivered.

# UNDERGRADUATE TEACHING BURSARIES

IN NORTHERN IRELAND

## WOULD YOU CONSIDER A CAREER IN EDUCATION?

From September 2026, the Department of Education is offering generous financial support for students pursuing a Post-Primary Bachelor of Education (B.Ed) at Stranmillis and St Mary's University Colleges in subjects with teacher shortages.

### ELIGIBLE SUBJECTS

- Maths
- Technology and Design

### WHAT'S ON OFFER?

- Full tuition fees paid for the four-year course
- Total bursary value: £20,000

### WHY CHOOSE TEACHING?

Teaching is a rewarding and fulfilling career that allows you to shape young minds, make a lasting impact and contribute meaningfully to society. It also offers an extremely competitive pay and rewards package, with the starting salary for graduate teachers now £31,650.

### ELIGIBILITY AND COMMITMENT

All Northern Ireland students enrolled the B.Ed courses in these subjects will be eligible for the bursary. All bursary recipients will be expected to teach in publicly funded schools in Northern Ireland for a minimum of two years after qualifying.

### HOW DO I APPLY?

There is no need for a separate application for the bursary. Simply apply for the relevant courses at Stranmillis or St Mary's University College.

For more information, visit [www.education-ni.gov.uk](http://www.education-ni.gov.uk) or contact the University Admissions Offices.

My name is Breagha and I'm from BBC's [The Repair Shop](http://www.bbc.co.uk/takepart). If you are not familiar with the show, people bring in **precious personal and community items that have fallen into disrepair**, which are then fixed by our team of experts. As part of this year's *Christmas Special*, we are reaching out to community groups across Northern Ireland to find **deeply cherished festive items** that are in need of serious repair.

We're looking for **Christmas-themed or festive items** that hold **strong emotional or cultural significance**—either to individuals or to your community as a whole. Whether it's a treasured family heirloom, a community decoration, a much-loved nativity figure, or a broken tradition in need of revival, we want to hear its story. The items should be directly related to Christmas and the festive season and should be in very poor condition (in need of more than just a good clean!). We would really love to find items that have amazing stories attached to them.

Our team of expert craftspeople are ready to restore these beloved items, and it really can be any item. If your group—or someone within your community—has an item that fits, we'd love to hear from you.

### What is the Pathway Opportunity Programme (POP)?

The Pathway Opportunity Programme supports students in Year 13 in school, or the first year of an A Level course (or equivalent) at college, who come from underrepresented backgrounds in higher education, especially first-generation university applicants. The programme includes a number of structured events between January - September 2026 including a week-long summer school that promotes and supports progression to Queen's University.

Through the application process students choose **one** of **13 Pathway subject areas** learning about that subject, careers, while experiencing university life in general to build confidence and a sense of belonging. For further details on the **Pathway subject areas** available and **eligibility criteria** please see document attached.

### Why apply?

By completing the Pathway Opportunity Programme, students have the chance to:

- Receive a **reduced grade conditional offer** (where applicable) for courses at Queen's.
- Receive a **guaranteed conditional offer** or a **guaranteed interview (where applicable)**.
- **£1000 bursary, and transition and other support** while they are at Queen's.

### When to apply?

Online applications will open on **Monday 29th September 2025** and will close on **Tuesday 4th November 2025** at noon.

### Programme Information and Materials

You can find digital flyers and resources you can share with your Year 13 students with detailed information and how to apply [here](#)

On request, we can deliver a presentation to eligible young people in person or virtually.

Please let us know via [pop@gub.ac.uk](mailto:pop@gub.ac.uk) if you would like us to visit and talk to your young people.

I look forward to hearing from you soon, and please don't hesitate to contact us if you have any queries.

Kind regards,

# Living Library

Your opportunity to have a conversation with a human book!

Our Living Library is a 'library' of people, where curiosity and questions are expected, encouraged and answered.

## What is the Living Library?

It's your opportunity to 'borrow' a person, instead of a book, for a one-to-one, 20-minute conversation.

## How do I get involved?

1. Browse and check out our list of human books.
  2. Make your selections (you can borrow more than one).
  3. Contact us and let us know your choice of books and we will offer you a 20-minute time slot, between 10am and 12.30pm for you to borrow your human book.
- To book, contact our Good Relations team by calling 028 9027 0663 or emailing [goodrelations@belfastcity.gov.uk](mailto:goodrelations@belfastcity.gov.uk).

## **£1m Olympic Legacy Fund now Open!**

**£1million is now available to sports clubs, community groups and charities through our new Olympic Legacy Fund!**

The fund aims to leave a lasting sporting legacy from Paris 2024 Olympic Games in communities across NI, improving community sports facilities and equipment to encourage more people to participate in sport and physical activity.

Made possible thanks to funding from the Department for Communities, we are delivering the fund in partnership with Crowdfunder UK. Applicants can propose projects from £1,000 up to £50,000 and are required to rally the support of the local community to raise 35% of their target, with Sport NI providing the other 65%.

Communities Minister Gordon Lyons announced the fund with double Olympic medallist Daniel Wiffen, who won gold and bronze in the 800m and 1500m freestyle in Paris.

Applications are now open
