- Membership – need for better representation from children and adult mental health voluntary organisations

Action

HSCB/CYPSP to prioritise membership of the group

- Presentation given by Maurice Leeson and Andrew Hawthorne, re Children and Young People's Strategic Partnership (CYPSP) focusing on induction for the CYPSP Sub Groups

Actions

- All sub group members to familiarise themselves with the CYPSP website. This holds relevant information re
 - priority areas of outcomes groups in Trust areas
 - priority areas of locality planning groups

- Information re family support hubs. It is important that AMH and/or addiction are represented on the hubs
- All members to begin raising awareness of the above to their respective colleagues within established forums in their organisation
- Presentation to be emailed with the minutes

- Draft Terms of Reference
No significant issues identified and appears to address purpose and function.
Discussion re regional group focusing in priority areas and simple solutions as outcomes. Need to establish update from O'Neill action plan relating to outstanding areas. Need to update on Think Family action plans as there are some outstanding issues.

Action

HSCB to request updates from Trusts on O'Neill and Think Family.
Project action plans outstanding
