Welcome and Introduction:

Bronagh welcomed everyone to the meeting and carried out a round of introductions

Matters Arising:

Western Outcomes Group:

Bronagh informed members that the Western Outcomes Group was cancelled at late notice and there was therefore no update from the group. However Bronagh did inform the group that the WAOG next meeting in December will focus on their action plan and will narrow the action plan down and will come up with a priority area for action and it will be this priority that will focus the groups work for the next 3 years. Bronagh also informed the group that the WAOG membership has now been renewed and that all community/voluntary and BME places have been allocated and Bronagh distributed a list of members to the group for their information.

Council update:

Ursula gave an update on the developments of the new council structure, she informed the group that neighbourhood renewal will be carried forward in its current state for the next year and in March 2015 it will be revised again and could possibly be replaced by a new tackling deprivation project.

Youth Mentoring update:

Donna introduced herself to the Group as Dry Arch Centre Youth Mentoring Worker Donna will work closely with members of the locality planning group and has made appointments to meet each of the group members. Donna will engage with members to see how they envisage the mentoring project running to suit the needs of all LPG members.

Hub Update:

Mark gave an update on the hub progress and the needs arising from the hub and the referrals its receiving, the issue of poverty is further emphasised at this period with Christmas coming up and the expense associated with it.

Youth Mentoring Paper:

The group discussed the proposal of writing a youth mentoring paper that would be endorsed by all LPG members and would be ready to submit when any funding becomes available, the group have agreed that this paper would allow them to look in depth at a youth mentoring scheme and how it would impact on the 6 high level outcomes and how it would benefit not only those service providers in the Limavady area but also the children, young people and their families in the area. The majority of the meeting was discussing how we take this forward and it was agreed that Bronagh would meet each member individually and meet with their teams to discuss what they need from a youth mentoring project and how they see it best servicing the young people they are in contact with
