

# Engaging Effectively with Parents

## Small Change – Big Difference

This FREE workshop has been developed to provide Locality Planning Group members with the knowledge and skills to engage more effectively with parents. We will address the barriers faced when communicating with each other, and explore the reasons why some parents are more difficult to engage than others. This workshop offers practical tips and suggestions on how to develop better communication with the parent to achieve the best possible outcomes for the child.

Monday 23<sup>rd</sup> March 2015

10am-12pm

@

NIACRO

26 Carleton Street

Portadown

Craigavon

BT62 3EP
