Wednesday 25<sup>th</sup> March 2015  
10.00am Dry Arch Centre**

<b>Attending:</b>	Ursula Coll	Limavady Borough Council
	Mark mc Chrystal	Dry Arch Centre
	Aileen Lynch	WELB
	Bronagh Donnelly	CYPSP

**Welcome and Introduction:**

Bronagh welcomed to members of the sub group and reminded members that the meeting was an agreed one item agenda to look at the information presented and available re youth mentoring and begin the process of collating information for a proposal paper.

Members brought together information that they had collated from their individual organisations and staff around youth mentoring and similar projects that we could learn from, these included the LCDI youth mentoring project, NR funded youth learning mentor currently operational in the 3 high schools, learning from current YMW with the Dry Arch Centre, Action for Children's Youth Volunteers mentoring scheme and numerous community and voluntary buddy schemes. A lot of discussion occurred about the various projects and the pros and cons of each of them.

It was agreed that Bronagh would take the information away and collated it in the form of a paper and disseminate it to all members for their feedback. It was agreed that this is something that was worthwhile doing as this is our priority area and we would like to be in the position to influence any future funding streams who have identified youth mentoring as a key priority.

The paper once completed would be signed off by all locality planning members and it would have identified and will endorse a key organisation who will led the bids on any future funding.

**Date of next meeting:**
