

*'Over 60 children, parents, teachers and child-minders attended the Tooth Fairy Event in Sherry's Field, Armagh on Thursday morning. This event was organised by Armagh Locality Planning group in partnership with ArKe Sure Start to raise awareness of good dental hygiene and the importance of registering with a dentist. The Tooth Fairy was on hand to help advise the local children on looking after your teeth and each child received a gift bag which included a toothbrush, toothpaste, stickers and bubbles. There was range of information including sugar levels within popular children's food, bilingual leaflets and arts and crafts for the children. A big thank you to all those who attended and who contributed to a wonderful event'.*
