

Dear Team Aspie Supporter

Last year has been a very busy and productive year for Team Aspie. We are growing in number every time we meet. 2016 will be even busier as we are busy working on 'ASD: A Spectacular Display' which will take place at the Burnavon Theatre, Cookstown on Saturday 9th April 2016. (Copy of the flyer is attached). We have amazing singers, martial artists, musicians and dancers amongst our kids that will love to perform, we have kids with keen ICT skills that will help with the posters and programmes and we have those who are looking forward to being stage hands and make up artists. We want to showcase what we can do and dispel a lot of the myths and stereotypes around Autism in a fun way. We do hope that you will be able to join us on the night so you can witness first-hand the talent and team work that exists within Team Aspie.

As you have been a firm supporter of Team Aspie in the past, we would like to invite you to continue that support by attending and promoting our event or perhaps a financial contribution. We want to raise as much funds from our event so we can continue the essential work of Team Aspie. Our committee is earnestly trying to fundraise and complete applications so the work of Team Aspie can continue. As you can imagine given the current climate this is not an easy task.

If you would like to assist us, please contact me on 077070 37466. Tickets are on sale now from the box office, Burnavon. It is a night not to be missed!

Yours sincerely

T. Collins
