NI Children's Strategy Outcomes

What we want for all our Children and Young People:

Physical and Mental Health
Enjoyment of Play and Leisure
Learning and Achievement
Living in Safety and with Stability
Economic and Environmental Wellbeing
Making a Positive Contribution to Society
Living in a Society which Respects their Rights
Equality and Good Relations

Our Priorities - What we want to Achieve:-

- Children and young people will have the best start in life and enjoy good health and wellbeing
- Parents/Carers, Children and Young people are supported to understand the importance of, and to attend/participate learn and achieve in education and training
- Children and young people will experience good relations, equality and diversity
- All Children are Safe, confident and enjoy good emotional wellbeing
- Children and young people live in supported families. Parents/carers receive the help and support they need to empower them to parent.

How We Will Do It

Positive Mental Health & Emotional Wellbeing

Together we will build resilience in young People and raise awareness of emotional wellbeing in families and communities

Practical Home Based Family Support

Together we will provide practical home based support to families and include a focus on parenting support, transport and childcare

Children & Young People with a Disability and their Families

Together we will provide opportunities for young people with a disability to come together for enjoyment and support; and provide opportunities for young peoples' voices to be heard in terms of shaping services

Enjoying & Playing

Together we will work towards broadening access to schools and youth facilities particularly during summer

Learning & Achieving

Together we will improve participation in school life including BME, LAC, C&YP with a disability and promote early intervention to support emotional skills/needs
