

INVITATION

Launch of the South Eastern Outcomes Area Children and Young People's Plan 2017-2020

The CYPSP South Eastern Outcomes Group invites colleagues, locality planning group's members, family support hub members and representatives working with children, young people and families in the South Eastern area to the South Eastern Stakeholder Engagement Event.

Join us to hear more about the South Eastern Children and Young People's Plan and the agreed priorities that will be taken forward collectively over the next three years to improve outcomes for children and young living in the South Eastern area and contribute to the discussion and planning.

Registration is essential. A light lunch will be available from 1.15pm

You are personally invited to the CYPSP
