

# Home-Start Newry & Mourne

## Needs Volunteers

Home-Start Newry & Mourne provides emotional and practical support to families with young children. Currently we need volunteers to fill the following roles:

- Home visiting support for families with children under 5
- Home visiting support for antenatal mums
- Supporting families at family groups
- Administration
- Fundraising

If you have a few hours to spare each week and would like to become part of the Home-Start team, we would love to hear from you. Training courses begin in September 2017.

We will:

- Pay your expenses
- Provide training and regular support
- Organise social events and activities

Your reward:

- Knowing you have helped another young family
- A boost to your confidence and self esteem
- Even a foot on the ladder towards further education or a new job!
