

## **DENTAL SUMMARY**

120 children within SureStart Developmental Programme for Twos now tooth brushing daily within the programme.

The three HV pilot sites have between 81-100% of children registered with the dentist by age 1 year.

50 additional children registered with the dentist across the South Eastern Trust Area SureStart projects within Qtr 3, following receipt of a dental flyer and information leaflet. The lower percentage within some of the SureStart projects is because the children register with SureStart at an early age (including antenatally).
