

The Children and Young People's Strategic Partnership CYPSP would like to ensure that parents are involved in the design and development of services for families across Northern Ireland.

The CYPSP Ards and North Down Locality Planning Group is made up of local community, voluntary and statutory services who meet regularly to plan and deliver initiatives to improve the lives of children living in the Ards and North Down Area.

CYPSP Ards and North Down Locality Planning Group
Parental Participation Survey with Parenting NI
1 September 2017, Londonderry Park, Newtownards
