

## Health Development Training Courses

### South Eastern Area

April 2018 to March 2019

The South Eastern Trust Health Development Team is committed to working in partnership with other organisations, groups and communities to promote, maintain and enhance the health and wellbeing of the South Eastern Trust's population.

We are the major organisation for health and social wellbeing improvement in the south eastern area and our mandate commits us to addressing the causes and associated inequalities of preventable ill-health and lack of wellbeing.

Along with our colleagues in the Public Health Agency we have set out our work under four key themes:

**Give every child and young person the best start in life:**

Investment in early years brings significant benefits in later life across areas such as health and wellbeing, education, employment and reduced violence and crime. We are committed to pursuing strongly evidenced programmes to build resilience and promote health and wellbeing.

**Ensure a decent standard of living for all:**

Lower socioeconomic groups have a greater risk of poor health and reduced life expectancy. We will focus efforts in a number of areas where, working with partners, we can impact on achieving a decent standard of living for all.

**Build sustainable communities:**

The views, strengths relationships and energies of local communities are essential in building effective approaches to improving health and wellbeing. We are committed to community development, engaging people in decision- making and in shaping their lives and social networks.

**Make healthy choices easier:**

Creating an environment that encourages and supports health is critical. We are committed to working across a range of settings to ensure that healthier choices are made easier for individuals.

## Asist Training

Dates:	<b>Monday 5 &amp; Tuesday 6 November 2018</b>
Venue:	<b>To be confirmed</b>
Facilitators:	<b>Health Development Mental Health Training Team</b>
Duration:	<b>2 Days 9.30am – 5pm on both days</b>
Cost:	Free of charge
Pre-requisite:	You <b>must</b> have attended safeTALK training before applying for Asist training
Description:	<p><i>ASIST</i> is designed to help all caregivers become more willing, ready and able to help persons at risk. Suicide can be prevented with the help of prepared caregivers. Just as "CPR" skills make physical first aid possible, training in suicide intervention develops the skills used in suicide first aid. ASIST is a two-day intensive, interactive and practice-dominated course designed to help caregivers recognise risk and learn how to intervene to prevent the immediate risk of suicide.</p> <p>The workshop is for all caregivers (any person in a position of trust). This includes professionals, paraprofessionals and lay people. It is suitable for mental health professionals, nurses, physicians, pharmacists, teachers, counsellors, youth workers, police and correctional staff, school support staff, clergy, community volunteers and the general public.</p>
Target Audience:	All caregivers (any person in a position of trust). This includes professionals, paraprofessionals and lay people. It is suitable for mental health professionals, social workers, nurses, physicians, pharmacists, teachers, counsellors, youth workers, police and correctional staff, school support staff, clergy, community volunteers and the general public.

<b>Dates:</b>	<b>On-going</b>
<b>Venue:</b>	<b>N/A Online Programme</b>
<b>Facilitators:</b>	<b>N/A Access to a computer is essential</b>
<b>Duration:</b>	<b>The estimated time to complete the programme is 45minutes however this does not include the additional reading provided.</b>
<b>Cost:</b>	FREE
<b>Pre-requisite:</b>	HSC Staff
<b>Description:</b>	<p><b>Content</b></p> <p>This e-learning programme has been developed by the Public Health Agency in partnership with the Southern Health and Social Care Trust (SHSCT) and has been informed by the experiences of individuals who identify as Lesbian, Gay, Bisexual and/or Transgender (LGB&amp;T) and their carers.</p> <p>The content has been developed to meet a range of learning styles and contains stories, scenarios, interactive quizzes and videos involving lived experiences. The programme features are easy to use and navigation throughout the different sections is straightforward.</p> <p>Section 1 – Introduction Section 2 – Getting the basics right Section 3 – Health and social wellbeing inequalities Section 4 – Understanding the law Section 5 – Creating an inclusive workplace</p> <p>Participants have the option of completing the programme from beginning to end or saving progress and returning at another time to complete.</p> <p>Individuals who identify as (LGB&amp;T) like other disadvantaged groups, experience considerable sexual, physical and mental health inequalities. Homophobia, transphobia and heterosexism are the main barriers LGB&amp;T people face when accessing services.</p> <p>In 2011 the findings from the Rainbow Project research report 'Through Our Eyes - Experiences of Lesbian, Gay and Bisexual People in the Workplace' showed that nearly 1 in 4 respondents working in the public sector conceal their sexual orientation and that some 40% of respondents from the public sector had heard negative comments about LGB&amp;T people from a colleague or colleagues in the workplace (Through Our Eyes,</p>

Experiences of Lesbian, Gay and Bisexual People in the Workplace. Rainbow Project, DSD, March 2011, McDermott, M. )

**Learning Outcomes**

After completing this module, learners will be able to:

- Understand the difference between sexual orientation and gender identity.
- Have knowledge of the equality legislation relating to sexual orientation and gender identity.
- Be aware of the health and social wellbeing inequalities experienced by LGB&T individuals, the support services available and be aware of how to access them.
- Challenge the myths and misperceptions associated with LGB&T individuals.
- Explore the barriers associated with disclosure of sexual
- Orientation and/or gender identity in the workplace.
- Understand how LGB&T awareness within the workplace can help create a more welcoming, safe and productive work environment.
- Reflect on their organisational policy and practice to help identify opportunities for:
  - Workplace settings to be more LGB&T inclusive
  - Addressing any existing gaps in current practice and delivery relating to LGB&T issues.
  - Any future potential training for staff working in a range of settings.

**Who is the programme for?**

This programme has been designed to be used by individuals working in any setting. We hope it has relevance to a wide audience including relevant staff with management or recruitment roles within organisations. It is hoped that the programme will be seen as complimentary to face to face interactive training programmes that are currently available and provided by the LGB&T Sector Organisations.

<b>Target Audience:</b>	Individuals working in any setting

# **Community Nutrition Training Courses 2018/19**

Training Dates for Nutrition Courses 2018 / 19

Please find below dates for training courses run by the Community Dietitians.

**All training is free and includes comprehensive resource packs.**

Training is designed to be delivered as part of your work. Trust employees delivering these programmes as part of their work are covered by Trust insurance. **Any delivery outside of this is not covered and tutors must take out their own insurance.** Non Trust employees need to check that they are covered by their employer's insurance.

**Cook it and Choose to Lose** require your manager to agree to you delivering the programmes at least twice once a year. A pre training visit to meet you and your manager is required for both these programmes before a place can be confirmed. A post training visit is also required.

This year we are running two smaller Cook it programmes at different times of the year.

For all courses places are allocated on first come first served basis. Those not successful in gaining a place will be put onto a waiting list for the next course.

To request a place on training please contact [training.dietitians@setrust.hscni.net](mailto:training.dietitians@setrust.hscni.net)  
OR Tel: 90411792 and leave a message.

**PLEASE NOTE: All tutors are required to complete feedback via monitoring and evaluation forms as required and attend at least one annual update session in order to remain registered as a tutor. Tutors who do not meet these requirements will be removed from our database. Printed resource packs remain the property of either PHA or South Eastern Trust and must be returned if tutors do not meet the above criteria.**
