

**The Northern Area Outcomes Group
invites you to:**

***'Building Inclusive Services for Children
and Young People'***

**for services working in
Carrickfergus, Larne and Newtownabbey**

**Friday 1 March 2019
10.00am – 1.00pm
Mossley Mill, Newtownabbey BT36 5QA**

The workshop will share best practice on how your service can be more open and inclusive to children and young people with disabilities, including how to make your service more accessible, experiences and good practice from service providers and service users own perspective. Following lunch you will have the opportunity to network, explore and learn more from information stands.

If you would like attend please complete the attached form and email to dorothy.taggart@hscni.net before **15 February 2019**.

Please tick if you would like to attend this event and also if you would like to have an information stand.

I wish to attend the Building Inclusive Services for Children and Young People on 1 March 20019

I will provide an information stand at the event
