TRAINING THE TRAINER PROGRAMME

DATES FOR 2020

Building on the EITP Level One Adverse Childhood Experiences (ACE) Awareness and Level Two Developing Trauma Sensitive Practice training, the Safeguarding Board for Northern Ireland in partnership with the HSC Leadership Centre has developed a Training for Trainers Programme for all organisations.

Objectives of the Training for Trainers Programme

By the end of this two day training programme the participant will:

- Have developed training skills to become a Trauma Informed Practice Trainer
- Have developed their understanding of a trauma informed approach to practice
- Be able to support their organisation through promoting consistency of a shared language and understanding of ACEs and trauma sensitive approaches
- Be informed and confident to deliver a minimum of three Level One awareness and Level Two training programmes per year using the training resources and guidance documents.

Audience

A set of criteria has been outlined below to enable potential participants to understand their suitability for the programme

- Occupational – a minimum of three years' experience of direct service delivery with children or adults
- Vocational (desirable but not essential) – a minimum of one year's experience in the delivery of training
- Ensure there has been a commitment from senior management to provide ongoing support to enable future delivery of this training programme
