DAILY UPDATE

SOUTHERN AREA LOCALITY PLANNING GROUPS
 ISSUE 36 | 28TH MAY 2020

Welcome to Issue 36 of 'FYI'.
 Now that we have recommenced Locality Planning Group meetings (albeit virtually!), we have reverted back to the newsletter's original fortnightly frequency. It has been great to hear about all of the innovative work which organisations have been carrying out across the southern trust area during these challenging times. Please continue to submit your information, updates & resources to localityplanning@ci-ni.org.uk, so that we can keep you informed of ongoing developments as current restrictions are eased and we look towards new ways of working together to support local children, young people and their families. Stay safe and keep up the great work!
