How well did we do it cont'd.....??

Performance Measure 10: 10 Standards Fully Implemented - 2016/17

- Standard 1.** Working in PARTNERSHIP is an integral part of Family Support.
Partnership includes children, families, professionals and communities
- Standard 2.** Family Support Interventions are NEEDS LED
(and provide the minimum intervention required)
- Standard 3.** Family Support requires a clear focus on the WISHES, FEELINGS,
SAFETY AND WELL-BEING OF CHILDREN
- Standard 4.** Family Support services reflect a STRENGTHS BASED perspective,
which is mindful of resilience as a characteristic of many children and families
lives
- Standard 5.** Family Support is ACCESSIBLE AND FLEXIBLE in respect of location,
timing, setting and changing needs, and can incorporate both child protection
and out of home care
- Standard 6.** Family Support promotes the view that effective interventions are
those that STRENGTHEN INFORMAL SUPPORT NETWORKS
- Standard 7.** Families are encouraged to self-refer and MULTI-AGENCY REFERRAL
PATHS are facilitated
- Standard 8.** INVOLVEMENT OF SERVICE USERS AND PROVIDERS IN THE
PLANNING, DELIVERY AND EVALUATION of family support services in practised
on an on-going basis
- Standard 9.** Services aim to PROMOTE SOCIAL INCLUSION and address
issues around ethnicity, disability and urban/rural communities
- Standard 10.** MEASURES OF SUCCESS are built into services to demonstrate that
interventions result in improved outcomes for service users, and facilitate quality
assurance and best practice

All of the Hubs in the Western Outcomes Group area have implemented the 10 standards and continue to work on action plans within their Hubs to develop access to the range of early intervention supports available to families.

Family samples

Family A

Parents of 3 children , one adult and 2 younger children aged 11 and 1. Mother suffered from fibromyalgia and depression. The 11 year old was anxious and aggressive refusing to go to school and suffered from epilepsy and had autistic traits. The Hub referred the family for a benefit check and also they had the help of a Family Support Worker and a Schools Advocate to assist them with a range of issues including a referral to CAMHS. Mother received help from a Mental Health Worker.

Family B

Parents of a 12 year child suffering from anxiety referred themselves to the Hub. He was referred to a Project for individual support. They reported that they found the service flexible and the child was enjoying the support offered and making progress.

Family C

Lone parent referred by Gateway to the Hub for family support who has 2 teenage sons. She completed a Personal Development Course, Cook It Programme, Parenting Course and the sons received support from a Project working with young people experiencing problems at school.
