South West College (SWC) Dungannon/Omagh/Enniskillen/Cookstown:

ESOL provision for the NIRRS continued to be the same with regards number of hours, in spite of lockdown. The only difference is that we delivered all lessons online. We started face-to-face again at the beginning of May and are finishing our classes in June. We do not offer ESOL during the summer and will start again mid-September.

ESOL Waiting List: 2021/22

Before enrolling on an ESOL course, all learners must attend a pre-enrolment advice session (PEAS). New learners will need to take an assessment to find their level. Learners can also present certificates as evidence of previous learning. The next PEAS are scheduled for August and September 2021. Learners can leave their details on the waiting list form below and someone will be in touch when more information is available.

For further details and registration, please follow the link to SRC's website: [Course Search \(src.ac.uk\)](#)

If you wish to find out further information on other **ESOL courses available in Northern Ireland** (online or face-to-face and funded outside the Department for the Economy mainstream or Home Office Additional budgets), please click on the link below and use the searching tool.

Best results will appear when you search by 'City/Town' and click on the blue button – 'Search Providers'.

[ESOL NI \(esolwebapp.azurewebsites.net\)](http://esolwebapp.azurewebsites.net)

ESOL Northern Ireland (NI) have developed the website above in partnership with the Belfast Met ICT Development Team as a one-stop shop resource.

This is available to formal and informal ESOL providers in Northern Ireland to list their profile details and courses and access sector relevant information via a 'members only' page. The resource offers an online portal where learners and support organisations can access information on ESOL provision anywhere in Northern Ireland.

The ESOL NI online portal is linked to an automatic translation mechanism making the full website information available in different languages.
