

Performing Trauma-Informed Assessments: The MACE Toolkit training

- 3 hour interactive course
- Available to practitioners working with children and families in the SHSCT, Cavan, Monaghan and Louth

Aims of the course:

- Understand the concept of trauma-informed assessments
- Understand helpful and unhelpful practitioner behaviours during assessment
- Identify potential sources and signs of childhood trauma
- Understand protective factors and how they interact with risk factors to influence positive outcomes
- Identify appropriate interventions to support families affected by trauma
- Understand the process of support pathway planning and review
- Understand how to use the MACE Trauma-Informed Practitioner's Toolkit alongside their own assessment forms (e.g. UNOCINI, Meitheal, Signs of Safety, etc.)

Please contact Jessica Fields to register: jessica.fields@westerntrust.hscni.net

Please note that all sessions will be 10 am – 1 pm and delivered over Zoom. (17 places per session)

- 9th, 12th, 17th, 24th November
- Further training dates are to be announced for 2022.
Names of those interested are now been taken.
