

Aged 16-30 and want to develop your skills? Get Started with Photography online

Taster Day: Wednesday 16th February

Programme Dates: Monday 21st - Friday 25th February

If you are interested in photography and not currently in full-time education or employment, we can help. Meet new people as you learn tips and techniques from an industry professional in different styles of photography on this free 5 day programme. At the end of the week you will use what you've learned to create an exhibition that will give you the skills to get ahead!

- ➔ Doesn't affect your benefits
- ➔ No camera needed, just a smartphone
- ➔ Up to 3 months support after programme
