COMMENTS

Brilliant resource for all very easy access to information on all topics. Very easy to navigate and overall just great to have a place where information can be accessed on all topics.

Really good website

Very useful resource

Fantastic and timely resource

Invest more in front line services

Really good service

A fantastic and timely resource for children, parents & teachers alike!

Great Site

Fantastic Resource

survey me after I use the website

Website seems hard to navigate. The booklets on mental health from the southern trust are aimed at adults and need updated for a child/young person audience.
