Emotional Health and Wellbeing

Children with Disabilities

School Disruption

Poverty

Western Area Outcomes Group Priorities

All children and YP have the best start in life and are emotionally and physically healthy

All Children and young people are safe and their welfare is promoted within their homes, schools and communities

All children and young people are supported to thrive and achieve their potential

Outcomes

- Increased access to community activities for CYP, awareness and outreach
- Parents have increased awareness of importance of strong emotional attachment

- Greater collaboration and cooperation between Statutory/Voluntary/Community Orgs
- All CYP have a safe place to go to and someone to talk to when they need support

- Children feel seen, heard, valued and understood
- Cultural change and investment to meet requirements of children with disability
- Referral pathways to help parents cyp access support at the right time

Key Actions

- Raise awareness with CYP on how to access services
- Promote EHWB community activities
- Work with YP to be ambassadors
- Promote MACE resilience/attachment programmes
- Promote TIP training

- Identify good local practice and expand
- Sustained interaction with relevant regional organisations
- Promote importance of a trusted person and support organisations
- Consistent TIP bullying policies and procedures in schools

- Learning mentors within schools
- Take on board recommendations from "Our Journey Report" to include investment
- Support for children and families on waiting lists for diagnosis
