# Youth Empowerment & Resilience

## **EMPOWERMENT**

The process of becoming stronger and more confident, especially in controlling one's own life and claiming ones rights.

# Resilience

You talking about ME?

# Make a difference

How?

Talk

Listen – No Really Listen!

Provide range of solutions

Know who can help

A dramatic scene featuring Spider-Man in his black and red Iron Spider suit. He is crouching on a rooftop, looking down with a somber expression. The background is a dark, rainy cityscape with blurred lights from buildings. The overall mood is serious and reflective.
