Priorities from Children's Services Plan

2021-2024

- 🌀 Children's mental health and emotional wellbeing, in particular but not exclusively children in the 5-10 age groups.
- 🌀 Early intervention support for children with disabilities and their families.
- 🌀 Support to children whose wellbeing is being affected by disruption to their schooling.
- 🌀 Contribution to strategic cross Departmental actions in response to food and fuel poverty, as well as locality based service responses
