

Background to Lisburn LPG Neuro Cafe

Locality Planning Groups are a Partnership of front line leaders and staff across all sectors from the local Neighbourhood/ locality. The work focuses on early intervention, building preventative places and improving outcomes for children and young people. Responding to the expressed needs of families on the waiting lists for assessment/diagnosis for ADHD/Autism, the Lisburn LPG hosted a Neuro Café, an informal drop in event. Over 15 services from Community, Voluntary & Statutory sectors hosted stalls and workshops. Event and refreshments were generously provided by Lisburn City Library.

CYPSP's Strategy for NI High Level Outcome Contributions

All Children and Young People experience economic and environmental wellbeing.

All Children and Young People live in safety and stability

All Children and Young People Learn and Achieve

Contributing to the Lisburn & Castlereagh City Council Community

Along with our partners we want to ensure our children and young people have the best start in life.

Neuro Café; what did we do

“The Neuro Café is a partnership event, as we had different organisations from the community, voluntary and statutory sector coming together to show what our parents and carers can access for their children and young people.”

Noelle Hollywood SEHSCT

Neuro Café; how did we do it

- Hosted by the Children and Young People's Strategic Partnership (CYPSP) Lisburn Locality Planning Group
- Co-produced with Early Intervention Lisburn & local service users
- Partnership with Lisburn City Library, who generously hosted and provided refreshments.

Is anyone better off?

120 participants attended the Neuro Café

The Café was co-designed to provide valuable information and support for parents and carers of children with Autism and ADHD as well as those awaiting assessment.

Those attending had the opportunity to engage with a range of information stalls hosted by 15 representatives from both statutory and community organisations.

There was also a quiet space where participants could enjoy refreshments.

Is anyone better off?

More events like this

Gathering information on resources and support available

Opportunity to network with other services re: working in partnership to share fostering recruitment messages

Better room with more space! Very overwhelming / loud

Having a bigger room

Include adult ADHD services
